mohamedalsmmak1@gmail.com

Curriculum Vitae · 2026

PROFILE

Fresh graduate in Soil & Land Science from Damanhour University, equipped with specialized knowledge in soil management, pesticide safety, and sustainable agriculture. Certified by FAO across 15 programs covering trade policy, water stress, nutrition-sensitive systems, and hazardous pesticide protocols. Seeking an entry-level role in agriculture where I can bridge scientific knowledge with operational impact.

EDUCATION

Bachelor of Agriculture

Damanhour University

Soil and Land Department · Class of 2024

GRADUATION PROJECT

Compost Production Using Shrimp Shell Waste

Investigated the viability of shrimp shell waste as a raw material for compost production, focusing on soil amendment benefits and sustainable waste utilization in agricultural contexts.

TRAINING EXPERIENCE

El-Maghraby Company

Practical Field Training

Hands-on agricultural operations and field management practices.

Delta Group Company

Practical Field Training

Applied training in agricultural production and operations.

SKILLS

TECHNICAL

- Soil & Land Management
- Pesticide Registration & Safety
- Compost & Organic Waste Processing
- SDG Agricultural Indicators
- Field Operations Management

SOFTWARE & TOOLS

- Microsoft Office (Word, Excel, PowerPoint)
- Adobe Photoshop
- Laser Machine Operation
- 3D Printing

SOFT SKILLS

- Communication
- Leadership
- Teamwork
- Agricultural Report Writing

LANGUAGES

Arabic	Native
English	Professional Working Proficiency

STATUS

Military Service	Completed

FAO DIGITAL BADGES

- Agripreneurship 101
- Highly Hazardous Pesticides
- Pesticide Registration Toolkit
- Using the Pesticide Registration Toolkit
- Monitoring and Evaluation of Child Labour in Agriculture
- Creating an Enabling Environment for Responsible Investment in Agriculture
